

National Champion Budweiser Bowling Team To Appear In Torrance July 6, 7, 9

The Budweiser Bowling Team, national match game champions for four of the last five years running, will put in a three-day appearance along with 150 other national champions July 6, 7 and 9 at the Bowl-O-Drome in Torrance.

Ranking as probably the greatest bowling aggregation ever assembled, the Budweisers have a list of records as long as an alley after six seasons of competition.

THE TEAM is sponsored by Anheuser-Busch Inc., brewers of Budweiser, Michelob, and Busch beer, and makes its home base in St. Louis Missouri.

Team members are Don Carter, only man to win the National All-Star championship four times and two-time winner of the World Invitational;

Ray Bluth, reigning ABC Masters Champion; Tom Hennessey, Southern Match Game Champion the past two seasons; Dick Weber, runner-up to Carter in the '57 National All-Star; Bill Lillard, '56 National All-Star champion; Pat Patterson, winner of last season's Jubilee Lanes Classic; and Chuck O'Donnell, one of only five men who have rolled perfect games in national team

championship competition. Patterson is team captain. Setting records is a frequent experience for the Budweisers. In winning the 1956 national team title they set three team records: (1) 1093 average score per game; (2) eleven 1100 or better games in a 24-game match; (3) Most 3200 series, seven.

'Birdcage' Gets New Driver for Santa Maria

The California Sports Car Club today announced that Stan Sugarman of Phoenix, new owner of the 2.9 litre "Birdcage" Maserati raced so successfully by Bob Drake, has given good-looking Jim Connor of Phoenix the driving assignment for the Santa Maria Races.

THE "BIRDCAGE", undoubtedly the most successful sports car to hit this country in several years, has been campaigned with outstanding success by Drake since its arrival in this country last December.

TORRANCE'S RAY Pickering, in a Lotus XI, is one of 40 drivers entered in the races which will be held at the airport just south of the city and west of highway 101.

A total of 19 races are scheduled for the two days. The racing will get underway at noon each day with the Sunday main event scheduled to go off about 2:30 p.m.
